ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed March 25, 2004, to revive the above-identified application.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed July 8, 2003, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned after midnight October 8, 2003.

In response, petitioner submitted with the instant petition \$1,330 for the petition to revive fee, an amendment, and an Information Disclosure Statement (IDS) with the \$180 fee.

The petition is **GRANTED**.

A review of the record reveals that the instant petition, amendment, and the IDS all contained the incorrect identifying data. Therefore, petitioner is cautioned to ensure that the correct identifying data appears on all correspondence submitted to the USPTO.

The application file is being forwarded to Technology Center Art Unit 1634, for review of the amendment filed with the instant petition.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 308-6711.
